

Dear Patients,

Please familiarize yourself with procedures below:

Upon Arrival Procedure: No patient, visitor, or team member is allowed to enter the clinic without first passing a verbal screening:

*Patients, visitors, and team members will be asked if they're experiencing any flu like symptoms in the past 2 weeks-- fever/cough/shortness of breath or difficulty breathing/chills or repeating shivering with chills/muscle aches/head ache/sore throat/new loss of taste or smell or loss of taste.

*Patients, visitors, and team members will be asked if they have been in contact with anyone who has tested positive for COVID-19 in past 2 weeks.

If these requirements cannot be met, then, unfortunately, the appointment will need to be rescheduled at least 10 days out.

Face covering is required as directed by the department of health, even after the emergency order has ended.

We appreciate your patience, understanding, and efforts in helping everyone stay well and safe. We look forward to seeing you soon!

Sincerely,
The My Little Eye Shop, LLC
