

Dear Patients,

Please familiarize yourself with procedures below:

Upon Arrival Procedure: No patient, visitor, or team member is allowed to enter the clinic without first passing a verbal screening and the following:

*Patients, visitors, and team members will be asked if they're experiencing a new onset of the following symptoms within the last 14 days-- fever/cough/shortness of breath or difficulty breathing/chills or repeating shaking with chills/muscle aches/head ache/sore throat/new loss of taste or smell or loss of taste.

*Patients, visitors, and team members will be asked if they have been in contact with anyone who has tested positive for COVID-19 in the last 14 days.

*Recorded temperature measurement **below** 100.4 degrees (using a non-contact thermometer)

*Face covering required.

If these requirements cannot be met, then, unfortunately, the appointment will need to be rescheduled at least 10 days out.

We appreciate your patience, understanding, and efforts in helping everyone stay well and safe. We look forward to seeing you soon!

Sincerely,

The My Little Eye Shop, LLC Family
